

CEE Tee Portable Assembly

The CEE Tee Portable assembly features moulded 16amp 2P+E PCE plug and socket with built in a Power cable in a fully enclosed moulded housing.

- Rugged, one-piece connector construction eliminates broken conductors and loose terminations in the shell
- Each extension is electrically PAT tested prior to shipping to ensure compliance
- Moulded non-conductive thermoplastic elastomer absorbs impact to prevent internal damage to pins and contacts and creates a fully insulated assembly
- Moulded housing is UV stabilized to prevent degradation of connector housing when used outdoors
- Enclosed Titanex HO7 RNF 3 core cable can be supplied to length as required and can be wired with numerous 3 pin power connectors
- Compact and lightweight

Part Numbers:

SC2.5-3-CP-CS-EGCS-XX*

Typical Application:

Provides a single power circuit for convenient connection points in a portable configuration.

Markets Served:

Film and Television Production, Theatrical, Concert, Touring, Live Events.

Specifications:

Rating	16 Amp 250 VAC maximum
Cable	Titanex HO7 RNF 3 core 2.5mm ²
Length	Available in made to order custom lengths

Other cables available upon request

Personalised Moulding Available

£20 one off charge | Free for 50+ pieces
