

# PowerFLEX™ Evergrip® Overmoulded CEE Extensions

PowerFLEX™ Evergrip® Extensions are manufactured with heavy duty flexible Titanex H07RN-F cable with durable PCE CEE connectors.

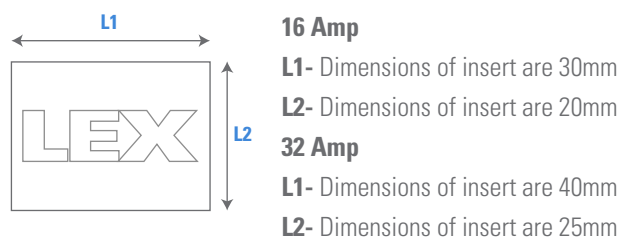

All assemblies are PAT Tested to DIN VDE 0701-0702.

Please also see data sheet for custom made Y-Splitters with CEE connectors.

Other connectors and wire gauge sizes are available on request.

### Personalised Moulding Available
